PETITIONING THE COURT

To modify the conditions of supervision as follows:

Trini L. Crawford, as a condition of supervision, shall submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, not to exceed eight tests per month, as directed by the probation officer, pursuant to 18 U.S.C. § 3583(d).

Additionally, Trini L. Crawford shall refrain from using illicit drugs and alcohol, and abusing prescription medication during the period of supervision.

CAUSE

The Eastern District of Washington received correspondence from the Central District of California requesting the existing conditions of supervision be modified accordingly. It was noted that the offender has a history of alcohol abuse and is participating in the outpatient substance abuse treatment program while supervised in the Central District of California.

The appeals court's finding in Stevens, limits the probation officer to three random drug tests outside treatment, pursuant to 18 U.S.C. § 3583(d). The supervising officer in this case believes that the offender's history warrants continued monitoring for return to illicit drug and/or alcohol use, to provide intervention if needed, and to reduce risk to the community. Consequently, it is being recommended that the Court set the maximum number of tests for continued treatment at eight per month.

The supervising officer asked the offender if he would waive his rights to a hearing and agree to the modifications as described. The offender agreed to waive his rights and adhere to the conditions as outlined.

Therefore, it is respectfully recommended that the attached waiver of hearing to modify conditions of supervision be adopted requiring Trini Crawford to submit up to eight urine tests per month, as directed by the probation officer, pursuant to 18 U.S.C. § 3583(d). It is also recommended that the Court prohibit Trini Crawford from using illicit drugs, alcohol, and abusing prescription medication during the period of supervision.

Respectfully submitted,

by

U.S. Probation Officer
